You can send the measurement form via email or FAX at +66/38 252 197

A: Chest Measure in cm
 Measure the chest circumference ensuring the tape is high up below your underarms.

B: Stomach Measure in cm
 Measure the chest circumference ensuring the tape is high up below your underarms.

C: Hips Measure in cm
 Measure the hip circumference at the widest point including butt, do not pull the measuring tape too tight.

D: Neck Measure in cm
 Measure directly below the larynx once around the neck, **leaving a finger** in the process.

E: Jacket/Shirt Length Measure in cm
 Measure from the bottom collar to the required length of the jacket/shirt

F: Shoulder Measure in cm
 Measure at the back from one shoulder (where the shoulder meets your arm) to the other.

G: Arm Length Measure in cm
 Measure the sleeve length from the end of the shoulders to the desired length.

H: Waist Measure in cm
 Measure the circumference of the waist.

I: Crotch Measure in cm
 Measure the crotch - from the front waist to the back waist.

J: Length (Trousers) Measure in cm
 Measure the out-seam length of the trousers: from waist to the desired trousers length.

K: Thighs Measure in cm
 Measure around the thigh, as shown and for desired fit.

L: Cuffs Measure in cm
 Measure your desired cuff/leg opening circumference.
